

# IT SUPPORT CONTACTS FOR ALL EMPLOYEES

Need help or have IT-related questions? Below are the different ways you can reach out for Technology support.

## OMNICOM EMPLOYEES

Existing Omnicom employees will continue to contact the Paige Service Desk—Omnicom’s IT end-user support services available 24/7/365.

**For virtual chatting and submitting tickets:** Visit the Paige Self-Service Portal online.

### To reach the Paige Service Desk by phone:

- US and Canada: 1-888-697-2443
- UK: 0800-085-7955
- India: 000-800-050-3658
- Australia: 1-800-223-460
- New Zealand: 0508-609-013
- Netherlands: 31-800-240-0005

### To report security incidents:

- Contact Corporate Security at [infosec@omnicomgroup.com](mailto:infosec@omnicomgroup.com);
- Open a Paige ticket via “I think I may have a security/privacy issue”;
- Email [soc@omnicomsecurityservices.com](mailto:soc@omnicomsecurityservices.com); or
- Call the Service Desk at 1-800-MY-PAIGE.

## LEGACY INTERPUBLIC EMPLOYEES

Legacy Interpublic employees will continue to use your current IT helpdesk—Fox Support—for Technology needs. If any Interpublic employees are using a shared OMC-Interpublic application or located at an OMC building, please specify to Fox Support.

### For general questions and support:

- Email: [help@interpublic.com](mailto:help@interpublic.com)
- Self-Service: <https://help.interpublic.com>

### To reach IT support via phone:

- U.S: 888-474-8778 – Select Option 1
- International: 402-561-7220 – Select Option 1

### To report security incidents:

- Email: [IncidentResponse@interpublic.com](mailto:IncidentResponse@interpublic.com)

### For location-based IT questions (printing, guest Wi-Fi):

- Connect with your local IT support contacts

As legacy Interpublic employees migrate to Omnicom technology platforms, IT support will transition to the **Paige Service Desk** team—Omnicom’s IT end-user support services available 24/7/365. More information and onboarding resources will be available at that time.
