RESOURCES FOR LIVING: GLOBAL EMPLOYEE SUPPORT PROGRAM

OMNICOM'S GLOBAL EMPLOYEE SUPPORT PROGRAM

At Omnicom, we recognize that wellbeing looks different for everyone, and that personal and professional challenges can arise at any stage of life, regardless of location or role. Supporting our people is a shared priority across our global organization, and seeking help when it is needed is an important part of maintaining health and wellbeing to empower our people to thrive.

We are pleased to offer **Aetna Resources for Living** as a confidential, independent resource available to you and those close to you, wherever you are. Aetna Resources for Living is Omnicom's Employee Support Program that provides confidential support for employees' overall well being, including emotional, mental, and everyday life needs. It connects employees and their households to short term counseling, referrals, and well being resources.

We encourage you to take advantage of this program whenever support, guidance, or perspective may be helpful. To learn more about the program, visit www.resourcesforliving.com and use the following credentials for company login:
